Mounting Solutions and Accessories

ARKIN

Welcome to Arkin, your trusted companion in the world of Audio-Visual mounting solutions and accessories.

At Arkin, we understand the significance of seamlessly integrating technology into your space, and we are proud to present a diverse range of products designed to enhance your AV experience.

TV Mounting Brackets

Discover a new dimension of versatility with our TV mounting brackets tailored for panel sizes ranging from 37" to 90". Whether you prefer a Fixed, Tilt, Full Motion, Portrait, or a Pop Out Video Wall setup, our slim-profile designs deliver both style and substance.

Quick and easy installation, sturdy steel construction, VESA compatibility, and an anti-theft locking design (model dependent) are just a few features that set Arkin apart in the realm of AV mounting solutions.

HDMI Cables

Step into the future of visual connectivity with Arkin's HDMI cables. Available in lengths from 0.5m to 5m (model dependent), our cables support 8K HDMI 2.1 and 4K HDMI 2.0.

Designed for the highest quality transmission, our cables feature 24k gold plated connectors, triple shielding, and high-grade oxygen-free 34AWG copper wire. The inclusion of Ethernet and Audio Return Channel (ARC) ensures a seamless multimedia experience, making Arkin the go-to choice for advanced connectivity needs.

Screen Cleaner

Experience crystal-clear visuals with our 2-in-1 Screen Cleaning Kit. Crafted for high-quality cleaning, our alcohol and ammonia-free gel, paired with a microfiber cloth, gently removes smudges and fingerprints from your screens. Arkin's Screen Cleaner is the perfect solution for maintaining the pristine appearance of your displays, ensuring a consistently vibrant viewing experience.

Arkin is not just a brand; it's a commitment to elevating your audio-visual encounters. Embrace the future of technology with Arkin – *where precision meets elegance in every product we offer.*

AR-3775-75-P

Anti-Theft Digital Signage Wall Mount for 37" to 75" TV's up to 75kg, Portrait, Fixed

Elevate your digital display solutions with the Arkin AR-3775-75-P, a heavy-duty wall mount designed to enhance security and aesthetics for your 37" to 75" TVs, weighing up to 75kg. Ideal for portrait displays in public areas, this lockable mount ensures your screens stay exactly where they belong.

Rest easy knowing your valuable displays are safeguarded against unwanted removal. The integrated anti-theft locking hole provides an additional layer of security.

- Crafted from robust steel, this mount offers solid and long-lasting performance, ensuring your TVs stay securely in place.
- With its slim profile, the AR-3775-75-P positions your TV just 27mm from the wall, seamlessly complementing the sleek look of ultra-thin TVs.

- Thanks to the quick-release spring locks with pull straps, attaching your TVs to the wall is a breeze, saving you time and effort.
- This mount supports VESA mounting from 200x200 up to 400x600, making it compatible with a wide range of panels.
